Koorero a te Tumuaki

The Principal speaks:

Kia ora koutou katoa! 2021 is here after a tumultuous 2020! A warm and hearty welcome to the new year and a new start. Under the umbrella of COVID-19 we will continue to educate the students of Tuakau, where change is always imminent. I hope that you all had a relaxing break and that you are recharged and ready to achieve in 2021. Our key focus for 2021 will be on building strong relationships between each other. The most important thing are people and having strong professional relationships is key in supporting the work that adults do to support the students and get them through their secondary school years.

It is with sadness that we had a student pass away over the holidays. She had cancer and succumbed to her illness. Ann Linacre was in Year 10 last year and would have been in Year 11 this year. She will be greatly missed by all her friends, whānau and peers. Our thoughts go out to her parents and extended family during these hard times. Kia kaha!

Within this bulletin there are a number of articles I would like you all to pay attention to. (Indicated by an asterisk *****) They are: times of the day, Pokeno buses, access to Tuakau College and the location of the new Student Centre.

We are also aware that at any time COVID-19 and another lockdown could occur. Please be assured we are prepared for this occurrence and have a plan if we have to go into lockdown again. Please read the section in this bulletin about this.

Congratulations to all the students who sat NCEA in 2020. The results indicate all the hard work you completed last year, amongst the interruptions of COVID-19. Well done and we look forward to the hard work this year.

We look forward to having all our students return to the College. Haere mai! Welcome to all the new students and staff and we want to make this year a great year of continued learning! *Chris Betty*

ARE WE READY FOR ANOTHER LOCKDOWN IF IT COMES?

Kua rite taatau mo tetahi kati ano mena ka tae mai?

Tuakau College wants our students and wider community to know we are prepared for another lockdown if it comes. ERO continues to investigate the impacts of COVID-19 on schools and shared its interim report findings (based on interviews with 110 schools and 95 early learning services and insights from the Māori medium education sector).

The key findings were:

- Staff wellbeing is the biggest concern – three-quarters of schools reported challenges related to exhaustion, sickness, stress about workload, anxiety about health, or principal stress
- Learner wellbeing has been the priority – nearly three-quarters of schools reported prioritizing learner wellbeing over academic learning during lockdown. Many reported deferring planned assessments
- Lower-decile schools are facing more challenges transitioning students back to school
- A quarter of schools reported financial concerns.

Being prepared. Two-thirds of the schools reported that they had successfully prepared for lockdown. Factors associated with schools who reported being prepared included using digital technology as an established part of their teaching practice and having up-to-date contact details for learners and whānau. Tuakau College ensures our teachers get professional development on digital technology each year and also ask that all students families please keep their contact details up to date so we can contact them easily.

Support from MoE and others. Nearly half of leaders expressed positive feedback about MoE's communications and bulletins, while noting that it was often difficult to keep up with the quantity of guidance, and the pace of change as the situation developed. The distribution of digital devices was challenging, but leaders were positive about MoE's physical learning packs. Tuakau College have been thankful for the support from the Ministry and from our wider school community and students which has helped us put plans in place for further lockdowns.

Strong communications. Many leaders reported that regular communication helped to build teacher relationships with whānau and gave whānau greater insight into their children's learning. Teachers used a combination of phone calls, emails, video calling and other digital platforms to regularly check in with learners and whānau. Tuakau College strives to have effective communication with all students and their families through email, Facebook, the school app, website and more.

Prioritising wellbeing. Seventy percent of leaders reported that they had explicitly prioritised learner wellbeing over academic learning during lockdown. Tuakau College recognised that they could not expect the normal level of engagement and workload during lockdown and made it clear to learners and whānau that learning was second to wellbeing. We also modified our curriculum to incorporate this.

We ask that you please remember the following things; particularly washing your hands regularly and using the COVID-19 app!

Washing and
drying your hands
kills the virus

Cough or sneeze
into your elbow

Stay home

Be kind. Check-in
on the elderly

**TURN ON

UNSTOPPABLE

We want our students, families and wider community to know that Tuakau College has planned and is prepared for another lockdown, if there is one!

A little bit About Tuakau College

TUAKAU/TŪĀKAU (Two-a-coe) meaning:

Today, in many publications, Tuakau is written as TŪĀKAU. The source of this interpretation is from the NZ History archives. The interpretation is 'Tuu Aakau' (Tūākau.) 'Tū' - to stand; ākau - river bank shore. So it means to stand on the river bank. Tuakau College is part of North Waikato and is affiliated to Tainui and the kingitanga movement. King Tuhetia Potatau Tawhiao is presently the Māori king residing at Turangawaewae Ngaruawahia. Taupiri is te maunga (the mountain), Waikato te Awa (the river), Turangawaewae te marae and Tainui te iwi (the tribe).

KO WAI TATOU: Who are we?

Over the past years Tuakau College has developed into a modern learning environment which has strengthened and continued to value and enhance things Maaori. Maaoritanga is part of what we do at Tuakau College. What we do is called the Tuakau College Culture or Kawa. Treaty of Waitangi obligations ensure that we continue to recognise and provide a context for all our students, especially our Maaori students.

Our kawa has been a strength of the College since the foundations were laid down by the first Principal, Hiwi Tauroa. He was a visionary leader and the practical steps he put in place towards the school becoming bicultural were implemented before the school opened in 1974. This ensured we followed certain protocols under a cultural umbrella which we cherish, relish and build on as we move forward.

Tuakau College is culturally rich. When we write in Maaori we can use the macron to emphasis a long sound. In Tainui dialect, instead of using a macron a double vowel is used. So, Maori is written Māori or you will see it as Maaori. Here is a little insight into the symbols and rituals of the College.

TUAKAU COLLEGE

Pai rawa atu i nga mea katoa | The very best in all things

LOGO and MOTTO

The logo depicts the fronds of the ponga tree which symbolise nurture, growth and new beginnings for a school relatively young. The larger fronds are the caregivers, staff and parents. The smaller fronds are the students developing and surrounded by the larger fronds for protection and support. The two colours reflect the dual heritage of New Zealand.

The motto "The very best in all things, Pai rawa atu i nga mea katoa," was created by Hiwi Tauroa, the founding Principal. He says "working well is not sufficient - we desire that you produce the very best work you are able to. We will demand the very best performance from each individual. Poor performance is not failure, a lack of effort is. A low standard of achievement resulting from best effort is success."

PŌWHIRI

A pōwhiri is an official welcome to our visitors. The tangatawhenua (people of the land) are welcoming to their place the manuhiri (visitors). If the visitors are from overseas then they are the manuhiri tuarangi. Each visitor is 'tapu' (sacred) and the pōwhiri is about lifting the tapu and making the visitors part of the school.

The pōwhiri starts with 'karanga' where the kuia (older women) call to the manuhiri, for them to come and enter the place where they are going to be welcomed. The visitors will karanga back to the tangatawhenua.

Usually, the visitors are challenged (wero) by a warrior with a taiaha (weapon) and a token of some sort (usually a small branch is laid down for the manuhiri). The manuhiri pick up the token, indicating they come in peace.

At school we do not do this, but the manuhiri are confronted with a haka pōwhiri. Once the manuhiri arrive into the whare, or onto the paepae (the place in front of the wharenui - meeting house), everyone stays standing until the haka pōwhiri is completed and a karakia (prayer) is given to bless the proceedings.

The speeches (whaikōrero) begin. In Tainui they have alternate speakers. Tangatawhenua speak first then manuhiri. The speakers alternate. After each speech a waiata (song) is sung, usually led by the kuia.

The last manuhiri speaker will lay down a koha for the tangatawhenua. This indicates to the tangatawhenua that they have no more speakers. The koha is accepted and thanks is given. The tangatawhenua then invite the visitors to come forward and be welcomed personally with a hongi (touching of the noses).

Kaiarahi Kaiarahi: Guidance Counsellors

Our Guidance Counsellors are Mr Paul Heta and Miss Zoe Saunders and they are located in Te Whaanau. If students/parents/staff want to access the Guidance Counsellors during school hours, students can fill in a referral form and they will be seen. Students can also be referred by a teacher or a parent.

If our Guidance Counsellors cannot work with the student, they have access to other counsellors who we bring into school to support our students.

If you wish to contact them, please use the emails listed in this bulletin or use the contacts on the Tuakau College website.

VISION:

Tuakau College prepares students for life through a quality education promoting excellence in all things.

STRATEGIC GOALS: TUAKAU COLLEGE WILL:

Maximize opportunities for student achievement.

Lead development in local education in a continuously changing world.

Be the heart of the community where everyone wants to be.

EXCELLENCE Tino pai rawa

Pai rawa atu i nga mea katoa.
The very best in all things.

PERSEVERANCE U tonutanga

Kaua e mate wheke mate ururoa.
Don't give up like an octopus but fight like a hammerhead shark.

INTEGRITY Ngakau Tapatahi

Kaua e takahia te mana o te tangata.
Do not trample on the mana of the people.

CARING • LOVE • RESPECT Manaaki • Aroha • Whakaute

He aha te mea nui, Maku e ki atu.
He tangata he tangata.
He tangata he tangata.
What is the greatest thing?
It is people, it is people, it is people.

PTA (PARENT TEACHER ASSOCIATION)

Hononga a te kaiako

PTA stands for Parent Teacher Association, a school-based organisation with a mission to make the school a better place for children to learn.

Parents of students work together with teachers to volunteer in classes, raise money for school supplies, and generally support the school's efforts.

Almost all PTAs are involved in fundraising and most will organise social events for parents and children. Many provide helpers for outings and special events and a large number run clubs for sport, music or drama.

Any parents and teachers can get involved, even if they only have a small amount of time available. The lifecycle of a PTA committee will vary. Some members may stay involved for ten years or more - particularly if they have subsequent children attending the school. Others may stay for a few years and then move on.

The next PTA Meeting will be held on Tuesday 16 February, 2021, at 7pm in the Tuakau College staffroom.

All parents and teachers of Tuakau College are welcome.

The PTA is a great opportunity to find out more about what is happening in the school and have your say.

Come along to find out more!

BOARD OF TRUSTEES

Tuhinga o mua

Tuakau College Board of Trustees members:

Sean Hyland-Mills (Board Chair), Kelly Sinfield (Deputy Chair), Claudia Duffus, Anna-Marie Kingi, Kelly McCardle, Matthew Preston, Chris Betty (Principal), Brearna Rowsell (Student Representative) and John Everitt (Staff Representative).

Every state and state-integrated school and kura in New Zealand has a board of trustees that governs it. The board of trustees is a Crown entity.

The board's job is to see that everything that needs to be done gets done - legally, ethically, and as well as possible in the best interests of its students. It is also the employer of all staff, including the principal, and sets the overall strategic direction for the school or kura.

The principal is the board's 'chief executive' and manages the school or kura in line with the board's direction and policies. BOT Meetings are held once a month and minutes for these meetings can be found on our website.

We are scheduling an ERO visit this year. The new format of the reviews can be found on our website, under 'The Board.'

SCHOOL MAP 2021

Mahere Kura 2021

There are some changes to the School Map for 2021, particularly the location of our **Student Centre**. Our Student Centre is now located on the edge of the Elizabeth Street car park (where B5 used to be). Parents and students are to go here for any enquiries or information. The new Deans room is also located in the new Student Centre. Any students sent to the Dean, or parents wanting to speak/meet with the Dean are to go to the new Student Centre.

NO ACCESS TO THE SCHOOL VIA PADDOCKS

Kaore he urunga ki te kura ma nga paamu

There will be no access to Tuakau College across the paddock from Jellicoe, Gibson Road, etc to Tuakau College from Thursday 11 February, 2021. The paddock is a working farm and under the Health and Safety Act students should not be using this access. Signs indicating this will be up. The land is leased and the leasers are concerned about the students using this area, especially when cattle are in the paddock. They are liable for any incidents that occur in this area, hence access has to be denied.

Students will have to use Elizabeth Street to get to school. **Students are not to cut through Private properties.** It is unfortunate but it is the law and we are requesting that students and their families abide by the new rulings.

2021 Period times and timetable

2021 Te Wā Wahanga me te Waeaki

Our period times/timetable is a 29-period teaching timetable. This is part of Tuakau College's improvement on curriculum delivery. Each teaching period is 50 minutes long and there is two periods after lunch.

Lunch will be at 1 pm daily, except Wednesdays when it will be 12:45 pm. Interval starts at 10:50 am.

Wednesday has a different time structure. On Wednesday school starts at 9:10am, NOT 9:00am. This is going to allow the school to run extended whānau once every four weeks. Period 4 on a Wednesday is for Assembly/Year Level Assembly/House Assemblies and will be 30 minutes long.

We will be finishing school at 3:30 pm daily, except for Wednesdays when we will finish at 3:25 pm.

ABSENCES: Leave a message on our 24-hour absentee line (09 236 8521 and press 2) or email attendance@tuakaucollege.com. Absence notes need to be signed by a parent and given to the student's Dean. Parents/caregivers will be contacted to confirm any unexplained absence.

ACCOUNTS OFFICE: The Accounts Office is open from 8.30am to 4pm, Monday to Friday.

BUSES: There is a new website for bus information - www.northwaikatoschoolbuses.com. There will be another bus from Pokeno due to overloading and the number of students coming from this area. Once confirmed, details will be published on the bus website and emailed to each family coming from Pokeno. The network bus service is run by Murphy Buses (09 268 6620) and the Pukekohe bus by Broughams. Please contact the bus controller, Mr Kumar (236 8521 ext. 133) with any queries.

CONCERNS: If you have any concerns about your child's schooling, please contact your child's year level Dean in the first instance (see below). It's best to make an appointment as the Deans teach during the day.

Year 7 - Ms Heather Clarke (heather.clarke@tuakaucollege.com)

Year 8 - Ms Johanna Buttery (johanna.buttery@tuakaucollege.com)

Year 9 - Mrs Sarah Welch (sarah.welch@tuakaucollege.com)

Year 10 - Mr Indar Deo (indar.deo@tuakaucollege.com)

Year 11 - Mr Chris McGarvey (chris.mcgarvey@tuakaucollege.com)

Year 12 - Ms Michelle McMillan (michelle.mcmillan@tuakaucollege.com)

Year 13 - Mrs Shana Davidson (shana.davidson@tuakaucollege.com)

CONTACT DETAILS: Please keep us updated with your student contact details by contacting Mrs Potts on 236 8521 ext. 105 or by emailing t.potts@tuakaucollege.com.

FEES AND SCHOOL TRIP PAYMENTS: School fees can be paid at the Accounts Office. You can set up an automatic payment scheme by contacting Mrs Burnett on 236 8521 ext. 104.

HEALTH CENTRE: We have a full-time Registered Nurse at the Health Centre (236 8521 ext. 155). In an emergency, parents will be contacted as soon as possible. If immediate attention is required, the student will be taken to the nearest Medical Centre. Please do not send your child to school if they are unwell as this compromises the health of other students and staff. Please make sure you keep your school contact details updated so we can contact you quickly and easily. If you receive a text from your child saying they are unwell, please do not come immediately to school! Please ask them to follow the correct procedure which is to advise their teacher and request a note to see the nurse. The nurse will assess the student and then contact you if they need to go home.

LEAVE: Any student leave during term time must be requested by the parent/caregiver in writing to the Principal, prior to the leave being taken. The Principal can only approve leave for up to five days. The decision to withdraw a student during term time is the parent/caregiver's responsibility.

E-BULLETIN/NEWSLETTER: The e-Bulletin will be emailed/issued to caregivers once a month and will also be available at the Student Centre and online at www.tuakaucollege.com. Students without email addresses will receive a hard copy. Daily school notices are read in whanau class.

CANTEEN: We have an onsite canteen selling food and refreshments at interval and lunchtime.

UNIFORM: Correct uniform to be worn at all times. In Terms 1 and 4 sandals are allowed (plain black, no jandals). Uniform information is in enrolment packs or on the Tuakau College website. Stockists are The Uniform Shoppe, located at 7A, Glasgow Road, Pukekohe or www.theuniformshoppe.co.nz. Phone: 09 239 1310. The shop hours are Monday to Friday: 8.30am to 5pm and on Saturday: 9am to 1pm. All WINZ quotes can also be done via the website if required, or instore.

WEBSITE AND SOCIAL MEDIA: Our website is www.tuakaucollege.com. We are also on Facebook under 'Tuakau College.' If your child has done/achieved something great outside of school, please email information and photos to j.paton@tuakaucollege.com
